Vesting shall be subject to all liens and encumbrances in existence when the Case was filed and all valid post-petition liens, except those liens avoided by court order or extinguished by operation of law. In the event the Case is converted to a case under chapter 7, 11, or 12 of the Bankruptcy Code, the property of the estate shall vest in accordance with applicable law. After confirmation of the *Plan*, the *Trustee* shall have no further authority, fiduciary duty or liability regarding the use, sale, insurance of or refinancing of property of the estate except to respond to any motion for the proposed use, sale, or refinancing of such property as required by the applicable laws and/or rules. Prior to any discharge or dismissal, the *Debtor(s)* must seek approval of the court to purchase, sell, or refinance real property.

Upon dismissal of the Case post confirmation, the *Trustee* shall disburse all funds on hand in accordance with this *Plan*. Upon conversion of the Case, any balance on hand will be disbursed by the *Trustee* in accordance with applicable law.

Each numbered paragraph below is a level of payment. All disbursements which are in a specified monthly amount are referred to as "per mo." At the time of any disbursement, if there are insufficient funds on hand to pay any per mo payment in full, claimant(s) with a higher level of payment shall be paid any unpaid balance owed on a per mo payment plus the current per mo payment owed to that same claimant, in full, before any disbursement to a claimant with a lower level of payment. If multiple claimants are scheduled to receive per mo payments within the same level of payment and there are insufficient funds to make those payments in full, available funds will be disbursed to the claimants within that level on a pro-rata basis. Claimants with a higher level of payment which are designated as receiving pro-rata payments shall be paid, in full, before any disbursements are made to any claimant with a lower level of payment.
